CHRONICLE BOOKS

Chronicle Books acquires BESTSELLING KIDQUEST

For kids by a kid! Created by one curious seven-year-old to engage with his parents and grandparents—The *KidQuest* deck has kids ask the coolest questions in their quest to learn about the adults in their lives!

The adults kids love were kids once—what were they like? With *KidQuest*, kids take charge and ask *adults* questions to find out.

With 100 cards in eight categories (Home, School, Friends, Work, Personality, Inner Life, Big Life, and Humor), kids ask adults thoughtful as well as “just for fun” questions about what it was like to be a kid. The result? More connected relationships and lots of laughs! A bonus game component lets kids give points to an adult’s responses, and a “Celebration” card lets kids ask *anything they want!* Let the kid questing begin!
